READY FOR LIFE

An Education Assistance Programme

THE READY FOR SCHOOL FUND

AMP believes in creating opportunities for students to realise their aspirations through education. The Ready for School (RFS) Fund was set up in 2002 to fulfil this purpose.

Education plays a continuous role in all spheres of life. A good education creates a multitude of opportunities and is key to breaking down barriers to success.

HOW YOUR CONTRIBUTION HELPS

Every dollar raised will make a difference to our students' lives by providing them with opportunities to realise their aspirations through education. With educational costs expected to increase in the coming years, AMP hopes to raise enough funds to provide an equal opportunity for deserving students in their pursuit of higher education.

YOUR IMPACT

The AMP bursary disbursement period came in timely for me. It has helped relieve my financial worries and allowed me to focus on my studies when my new academic year began. Being in a family of eight, the bursary has truly helped to ease the financial burden of my parents, and they can focus on the educational needs of my younger siblings instead.

Bachelor of Engineering (Biomedical Engineering)

The bursary has been helpful for me in purchasing my school materials, such as my textbooks, easily without putting a financial strain on my mother. Financial resources have been tight for my family, and the bursary has definitely supported me in purchasing the necessary learning materials and art supplies required to complete my modules.

The RFS Fund has been a lifesaver for me. It has helped me pay off my miscellaneous student fee, which was not covered by my student loan. The fee was a crucial requirement for me in sitting for my examinations.
